9 v.
10 PALO ALTO NETWORKS, INC.,

Case No. [3:14-cv-04908-JD](#)

ORDER RE MOTIONS TO SEAL

12 A hallmark of our federal judiciary is the “strong presumption in favor of access to court
13 records.” *Foltz v. State Farm Mut. Auto. Ins. Co.*, 331 F.3d 1122, 1135 (9th Cir. 2003); *see In re*
14 *Google Play Store Antitrust Litig.*, 556 F. Supp. 3d 1106, 1107 (N.D. Cal. 2021). Public access
15 maintains confidence in the fair and impartial administration of justice, and protects the integrity
16 and independence of the courts. This is why the business of the federal judiciary is done in open
17 court.

18 In limited circumstances, there may be grounds for curtailing public access. This is an
19 exception to the rule, and so a party requesting that a document or evidence be sealed from the
20 public needs to present a good reason explaining why. A particularized showing of good cause is
21 required to seal documents related to non-dispositive motions, and a compelling reason supported
22 by specific facts is needed before the Court will consider sealing records involving dispositive
23 motions such as a summary judgment motion. *See Kamakana v. City & Cnty. of Honolulu*, 447
24 F.3d 1172, 1179-80 (9th Cir. 2006); *DZ Rsrv. v. Facebook, Inc.*, No. 18-cv-04978-JD, 2021 WL
25 75734, at *1 (N.D. Cal. Jan. 8, 2021). General assertions of potential competitive or commercial
26 harm are not enough to establish good cause for sealing court records, and the “fact that the parties
27 may have designated a document as confidential under a stipulated protective order is also not
28 enough to justify sealing.” *In re Google Play Store*, 556 F. Supp. 3d at 1107.

1 This order addresses a slew of sealing motions. Dkt. Nos. 195, 199, 203, 208, 229, 234,
2 237, 241. The Court's sealing determinations are stated in the attached chart. *See* Ex. A. All
3 sealing requests that are granted may be revisited as circumstances warrant. *See* Civil L.R. 79-
4 5(g)(1) ("When the Court grants a motion to seal or otherwise permits a document to remain under
5 seal, the document will remain under seal until further order of the Court.").

6 The "'default posture of public access prevails'" for the documents, or portions thereof,
7 that the Court declines to seal. *In re Google Play Store*, 556 F. Supp. 3d at 1108 (quoting
8 *Kamakana*, 447 F.3d at 1182). The parties are directed to file unredacted versions of the relevant
9 documents on ECF within 7 days of this order. Civil L.R. 79-5(g).
